Shivaji Marq

New Delhi 110 015 Valiant Communications Limited holds 286,287 (88.94%) [Previous year: 286,287 (88.94%)] fully paid-up equity shares of the Company. In accordance with the provisions of the Companies Act, 2013 ('the Act"), the Company is a subsidiary of M/s Valiant Communications Limited.

The Company is engaged in the services of Installation and Commissioning of communication equipment. The Board of Directors of the Company is hopeful that the Company will become the profitable venture in coming years.

#### Share Capital

The paid-up Equity Share Capital as at reporting date was Rs 3,219 thousand. During the year under review, the Company has not issued any shares. The Company has not issued shares with differential voting rights. It has neither issued employee stock options nor sweat equity shares and does not have any scheme to fund its employees to purchase the shares of the Company.

Dematerialisation of Equity Shares

Pursuant to the amendment in the provisions of the Companies (Prospectus and Allotment of Securities) Third Amendment Rules, 2018, your Company has appointed National Securities Depository Limited (NSDL) as Depository. The Company has also appointed Link Intime India Private Limited as Registrar and Share Transfer Agent, which is a SEBI approved category-I, Registrar and Share Transfer Agent.

As on March 31st 2024, 92.17% (previous year: 92.17%) of the outstanding equity shares of the Company have been dematerialized.

#### Dividend

In view of the suffered losses, growth opportunities and future requirements of funds, the Board of Directors finds it prudent not to propose any dividend for the year under reporting.

#### Deposits

During the year under review, your Company has not taken any public deposits.

#### Transfer to Reserves

The Company does not propose to transfer any amount to the General Reserve out of the amount available for appropriations.

Particulars of Loans, Guarantees and Investments

During the year under review, your Company has not given any loans, guarantees or made investments under Section 186 of the Act, 2013

### Related Party Transactions

All Related Party Transactions that were entered into during the financial year were on an arm's length basis, in the ordinary course of business and were in compliance with the applicable provisions of the Act. There were no materially significant Related Party Transactions made by the Company during the year that would have required Shareholders' approval.

The Company, being a subsidiary of Valiant Communications Limited (the Valiant Group), has adopted a Related Party Transactions Policy applicable to the Valiant Group. The Policy, as approved by the Board, is uploaded at the web link: https://www.valiantcom.com/corporate/cp/materiality-related-party.pdf

### Board of directors

In accordance with the provisions of Companies Act, 2013, Shri Davinder Mohan Sood, Director of the Company, retire by rotation, and being eligible, offers himself for re-appointment.

No director is disqualified under the provisions of the Companies Act, 2013.

### **Board Meetings**

The Board of Directors met four times on 30.05.2023, 11.08.2023, 10.11.2023 and 12.02.2024 during the financial yearnunical 2023-2024.

Directors' Responsibility Statement

71/1 Shivaji Marg New Delhi 110 015

In terms of Section 134 (3) (c) of the Act, your directors, to the best of their knowledge and belief and according to the information and explanations obtained by them in the normal course of their work, state that, in all material respects:

- a) In the preparation of the annual financial statements for the year ended under reporting, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;
- b) Appropriate accounting policies have been selected, applied consistently and judgment and estimates have been made that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company as at reporting date and of the profit of the company for the year ended on that date;
- c) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- d) The annual financial statements have been prepared on a going concern basis;
- e) Proper internal financial controls were in place and the financial controls were adequate and operating effectively; and
- f) Proper systems to ensure compliance with the provisions of all applicable laws were in place and were adequate and operating effectively.

Vigil Mechanism / Whistle Blower Policy

The company being part of Valiant Group, has a vigil mechanism named 'Whistle Blower Policy' to deal with instances of fraud and mismanagement, if any. The details of the said policy is posted at https://www.valiantcom.com/corporate/cp/vigil-mechanism.pdf

Auditors and Audit

The Members at AGM of the Company held on September 30th 2022, had reappointed M/s. Pawan Nanak Bansal & Co., Chartered Accountants, (ICAI Firm Registration no. 008953C) as the Statutory Auditors of the Company to hold office for another consecutive term of five years from the conclusion of the said Annual General Meeting (AGM).

Pursuant to the provisions of Companies Amendment Act, 2017, notified on May 7, 2018, ratification of appointment of Statutory Auditors at every AGM is no more a legal requirement. Accordingly, the Notice convening the ensuing AGM does not carry any resolution on ratification of appointment of Statutory Auditors.

The Company has also received their written eligibility certificate, confirming that they satisfy the requisite criteria to continue their tenure as statutory auditors, in accordance with the applicable provisions of the Act and rules framed thereunder.

The Auditors' Report for the reported financial year does not contain any qualification, reservation, adverse remark or disclaimer.

Extract of Annual Return

The details forming part of the extract of the Annual Return in Form No. MGT-9 is annexed herewith as Annexure-1.

Corporate Social Responsibility

The provisions of the Act relating to Corporate Social Responsibility are not applicable. Nevertheless, the Company shall continue its endeavor to fulfill its responsibility towards society.

Significant and Material Orders passed by the Regulators or Courts

No significant material orders have been passed by the Regulators or Courts or Tribunals which would impact the going concern status of the Company and its future operations.

Anti-Sexual Harassment Policy

The Company has complied with the provisions of relating to the constitution of Internal Compliant Committee under the Sexual Harassment of Women at the Workplace (Prevention, Prohibition & Redressal) Act, 2013. The Company has not received any complaint of sexual harassment during the financial year under reporting.

Reporting of Frauds

There was no instance of fraud during the year under review, which required the Statutory Auditors to report to the Au

New Delhi

Committee and / or Board under Section 143(12) of the Act and the rules made thereunder.

Code of Conduct

All Board of Directors and senior management personnel have affirmed their respective annual compliance with the provisions of the Code of Conduct applicable on Valiant Group to govern the conduct of Directors and senior management of the Company by certain fundamental business principles, ethics, values, policies and procedures within the applicable laws, rules and regulations.

Internal Controls Systems and Adequacy

The Company's internal audit systems are geared towards ensuring adequate internal controls commensurate with the size and needs of the business, with the objective of efficient conduct of operations through adherence to the Company's policies, identifying areas of improvement, evaluating the reliability of Financial Statements, ensuring compliances with applicable laws and regulations and safeguarding of assets from unauthorized use.

Cost records

The provisions of the Act relating to maintenance of cost records are not applicable.

Material changes and commitment

There has been no material change and commitment, affecting the financial performance of the Company which occurred between the end of the financial year of the Company to which the financial statements relate and the date of this Report.

Secretarial Standards

The Company is in compliance with the Secretarial Standards issued by the Institute of Company Secretaries of India (ICSI).

Personnel

The information required under Section 197 (12) of the Act read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, is annexed as Annexure-2.

Particulars of Conservation Of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo

The information on conservation of energy, technology absorption and foreign exchange earnings and outgo stipulated under Section 134 (3) (m) of the Act read with Rule 8 of the Companies (Accounts) Rules, 2014, is annexed as Annexure-3

Acknowledgments

The Directors sincerely acknowledge the trust and confidence that has been placed by the employees, shareholders and investors in the Company. The Directors are thankful to all the employees and the officers of the Company, for their dedication, support and co-operation.

On behalf of the Board of Directors

For Valiant Infrastructure Limited

Inder Mohan Sood

Chairman

### Disclosure in auditor's report explanatory [Text Block]

#### INDEPENDENT AUDITOR'S REPORT

To Members of Valiant Infrastructure Limited

Report on the Audit of the Standalone Financial Statements

#### Opinion

We have audited the accompanying standalone financial statements of Valiant Infrastructure Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2024, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended on that date and notes to financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024, and its loss, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA"s) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

### Key Audit Matters

Based on the size, scale and business of the company, in our professional judgment, there is no key audit matter, which required our comment.

#### Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including Other Comprehensive Income, changes in equity and the cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were shive it was

New Delhi

operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- dentify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure-I", a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 2. As required by section 143(3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b) In our opinion, proper books of accounts as required by law have been kept by the Company so far as it appears holina.

our examination of those books except for the matter stated in paragraph 2(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended) ("the Rules") relating to the manner in which books of account are required to be kept in electronic mode as per Rule 3(1) of Companies (Accounts) Rules, 2014;

- The Standalone Balance Sheet, the Standalone Statement of Profit and Loss including Other Comprehensive Income, Standalone Statement of Changes in Equity and the Standalone Cash Flow Statement dealt with by this Report are in agreement with the books of accounts:
- In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the d) Act.
- On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the e) 31st March, 2024 from being appointed as a director in Board of Directors, none of the directors is disqualified as on terms of Section 164(2) of the Act;
- With respect to the maintenance of accounts and other matters connected therewith, reference is made to our remarks in paragraph 2(b).
- With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure-II". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to standalone financial statements.
- With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules. 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31st March, 2024.
- iv.(a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether. directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year.
- vi. Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the software.

- 18. There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
- 19. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is besidned to the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities (falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due? 1/1

Shivaji Marg New Delhi 110 015

- 20. In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Companies Act, 2013 pursuant to any project. Accordingly, clause 3(xx)(a) and 3(xx)(b) of the Order is not applicable.
- 21. The reporting under clause 3(xxi) of the order is not applicable in respect of audit of Standalone Financial Statements. Accordingly, no comment in respect of the said clause has been included in this report.

"Annexure-II" to the Independent Auditor's Report of even date on the Standalone

Financial Statements of Valiant Infrastructure Limited

(Referred to in paragraph 2(g) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Valiant Infrastructure Limited of even date)

Report on the Internal Financial Controls with reference to standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls with reference to standalone financial statements of Valiant Infrastructure Limited ("the Company") as of 31st March, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to standalone financial statements and such internal financial controls were operating effectively as at 31st March, 2024, based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over financial reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standard financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on 71/1 Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial dominates with Marg

110 015

reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Income (net)

As at 31-03-2024 - - 364 - - 364

See accompanying notes to the financial statements

#### Note:

1. Amount received on issue of shares in excess of the par value has been classified as securities premium and can be utilized in accordance with

the provisions of the Companies Act, 2013 (the Act).

2. Capital redemption reserve is created out of profits on redemption of capital, which is required to be maintained as per statute and cannot be

distributed to the shareholders. The same can only be utilized in a restrictive manner as required by the Act.

3. Retained earnings represents surplus i.e. balance of the relevant column in the Statement of Changes in Equity.

## Disclosure of significant accounting policies [Text Block]

Notes to the financial statements for the year ended 31 March, 2024

### 1. Corporate Information

Valiant Infrastructure Limited (the "Company") is a public limited company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. It has been engaged primarily in trading and the servicing of communication equipment and networking. The Company's registered office is at 71/1, Shivaji Marg, New Delhì 110 015. The Corporate Identification Number (CIN) is U74899DL1995PLC066264.

Valiant Communication Limited owns 88.94% of the Company's equity shares.

The financial statements for the year ended 31 March 2024 were approved by the Board of Directors and authorised for issue on 29 May 2024.

#### 2. Recent Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

### 3. Material accounting policies

### 3.1 Basis of preparation

The financial statements are prepared in accordance with and in compliance, in all material aspects with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 ("the Act") read along with Companies (Indian Accounting Standards) Rules, as amended and other relevant provisions of the Act. The presentation of the Financial Statements is based on Ind AS Schedule III of the Companies Act, 2013.

### 3.2 Basis of measurement

The financial statements have been prepared on an accrual basis and in accordance with the historical cost convention except for certain financial instruments which are measured at fair values at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

All assets and liabilities are classified into current and non-current generally based on the nature of product/activities of the Company and the normal time between acquisition of assets/liabilities and their realisation/settlement in cash or cash equivalent.

The Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

• Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

• Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value

measurement is directly or indirectly observable

· Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value

measurement is unobservable

3.3 Foreign currency translation

The functional currency of the Company is Indian rupee (Rs).

On initial recognition, all foreign currency transactions are translated into the functional currency using the exchange rates prevailing on the date of the transaction. As at the reporting date, foreign currency monetary assets and liabilities are translated at the exchange rate prevailing on the Balance Sheet date and the exchange gains or losses are recognised in the Statement of Profit and Loss.

Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

3.4 Property plant and equipment (PPE)

PPE are initially recognised at cost. The initial cost of PPE comprises its purchase price, including non-refundable duties and taxes net of any trade discounts and rebates. The cost of PPE includes interest on borrowings (borrowing cost), if any, directly attributable to acquisition, construction or production of qualifying assets subsequent to initial recognition, PPE are stated at cost less accumulated depreciation (other than freehold land, which are stated at cost) and impairment losses, if any.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and capital work in progress, if any) less their residual values over the useful lives, using the straight-line method ("SLM") at the rates prescribed in Schedule II of the Companies Act, 2013.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable. The residual values, useful life and depreciation method are reviewed at each financial year-end to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of property, plant and equipment.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between sales proceeds and the carrying amount of the asset and is recognised in profit or loss. Fully depreciated assets still in use are retained in financial statements.

3.5 Intangible assets

Intangible assets are measured on initial recognition at cost and subsequently are carried at cost less accumulated amortisation and accumulated impairment losses, if any.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal.

Gains or losses on derecognition are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

The Company amortises intangible assets with a finite useful life using the straight-line method over the following range of useful lives:

Asset

Technical know-how

Useful life

4 years

Computer software

6 years

The estimated useful life is reviewed annually by the management.

3.6 Capital work-in-progress and intangible assets under development

Capital work-in-progress/intangible assets under development are carried at cost, comprising direct cost, related incidental expenses and attributable borrowing cost.

#### 3.7 Non-derivative financial instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

Trade Receivables

A trade receivable without a significant financing component is initially measured at the transaction price (net of variable consideration) as the same are recorded after decreasing rebates as per para 51 of Ind AS 115.

Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

The Company has made an irrevocable election to present subsequent changes in the fair value of equity investments not held for trading in Other Comprehensive Income.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

Financial liabilities

Financial liabilities are measured at amortised cost using the effective interest method.

Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments recognised by the Company are measured at the proceeds received net off direct issue cost.

Offsetting of financial instruments

Financial assets and financial liabilities are off set and the net amount is reported in financial statements if there is a enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the

assets and settle the liabilities simultaneously.

#### 3.8 Investments in subsidiaries

A subsidiary is an entity that is controlled by the Company.

The Company accounts for each category of investments in subsidiaries at cost in accordance with Ind AS 27- Separate Financial Statements.

### 3.9 Impairment

Financial assets (other than at fair value)

The Company assesses on a forward-looking basis the expected credit losses associated with its assets carried at amortised cost and FVTOCI debt instruments, if any. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

### PPE and intangibles assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e., higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the Statement of Profit and Loss.

#### 3.10 Inventories

Inventories are valued at lower of cost (on weighted average basis) and net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to their present location and condition including all applicable duties, taxes and other levies. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, indirect taxes. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

#### 3.11 Revenue Recognition

Revenue is recognised upon transfer of control of promised goods or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those goods

Revenue from sale of goods and services

Revenue from the sale of goods is recognised at the point in time when control is transferred to the customer which is usually on dispatch / delivery. Revenue from services is recognised as and when the services are performed in accordance with IND AS 115. Revenue is measured based on the transaction price, net of variable consideration on account of volume discounts, rebates, scheme allowances, price concessions, incentives and returns offered by the Company as part of the contracts with the customers. Revenue excludes taxes collected from customers on behalf of the government. Accruals for discounts/incentives and returns are estimated (using the most likely method) based on accumulated experience and underlying schemes and agreements with customers. Due to the short nature of credit period given to customers, there is no financing component in the contract.

#### Interest Income

Interest income from financial assets is recognized when it is probable that economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial assets to that asset's net carrying amount on initial recognition.

#### Dividend

Dividend income from investments is recognised when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Shivaji Marg
New Delhi

#### Insurance claims

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that there is no uncertainty in receiving the claims.

### 3.12 Research and development expenses

Research expenditure and development costs of products are capitalised on product's technical feasibility is established.

#### 3.13 Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

There is no lease arrangement during the year under reporting, which falls under the category of Lease as required in compliance with the Ind AS 116.

#### 3.14 Non-current assets held for sale

Non-current assets and disposal groups are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary for sales of such asset (or disposal group) and its sale is highly probable. Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

When the Company is committed to a sale plan involving disposal of an investment, the investment that will be disposed off is classified as held for sale when the criteria described above are met.

Non-current assets (and disposal groups) classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell.

#### 3.15Employees benefits

Employee benefits includes contribution to provident fund, gratuity fund, compensated absences and supplemental pay.

The Company has provided for liability on account of all following employees benefits available to the employees in accordance with the applicable rules, regulations, laws and employees benefits policy of the Company.

- i) Provident fund is a defined contribution scheme and the contributions are charged to the profit & loss account of the year when the contributions to the government funds are due.
- ii) Gratuity liability is a defined benefit obligation and provided for on the basis of an actuarial valuation as per projected unit credit method, made at the end of each financial year. The Company has taken a policy with the Life Insurance Corporation of India (LIC) to cover the gratuity liability of the employees and premium paid to the LIC is charged to Profit and Loss Account. The difference between the actuarial valuation of the gratuity liability of the employees at the year end and the balance of funds with LIC is provided for as liability in the books.
- iii) Employees are entitled to short-term compensated absences, which are provided for based on estimates.
- iv) Actuarial gains/losses are recognized in Other Comprehensive Income (OCI).

### 3.16 Segment reporting

As per Ind AS 108, Operating segments are defined as components of an enterprise for which discrete financial information is available that is evaluated regularly by the chief operating decision maker, in deciding how to allocate resources and assessing performance. The Company's chief operating decision maker is the Managing Director & CEO.

The Company's operating geographical business segment is based on the locations of customers. Allocable costs are allocated to each segment in proportion to the relative sales of each segment. All the common income, expenses, assets and liabilities, which are not possible to be allocated to different segments, are treated as un-allocable items.

#### 3.17Income tax

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. 7

Current and deferred taxes are recognised in Statement of Profit and Loss, except when they relate to items that a less than the control of t

recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

#### Current tax

Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Current tax assets and current tax liabilities are off set when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

#### Deferred tax

Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of a deferred tax asset shall be reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax assets and liabilities are off set when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, to the extent it would be available for set off against future current income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably, and it is probable that the future economic benefit associated with the asset will be realised.

3.18Accounting of provisions, contingent liabilities and contingent assets

Provisions are recognized, when there is a present legal or constructive obligation as a result of past events, where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows. Where the effect is material, the provision is discounted to net present value using an appropriate current market-based pre-tax discount rate and the unwinding of the discount is included in finance costs.

Contingent liabilities are recognised only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

### 3.19 Dividend to equity shareholders

Dividend to equity shareholders is recognised as a liability and deducted from shareholders' equity, in the period in which the dividends are approved by the equity shareholders in the general meeting.

3.20 Earnings per share (EPS)

Basic EPS is computed by dividing the profit or loss attributable to the equity shareholders of the Company by the weighted average number of Ordinary shares outstanding during the year. Diluted EPS is computed by adjusting the prefit or loss attributable to the ordinary equity shareholders and the weighted average number of ordinary equity shares, for the affects of all dilutive potential Ordinary shares. Shivaji Marg

New Delhi

#### 3.21 Critical accounting judgements and key sources of estimation uncertainty

The preparation of the financial statements in conformity with the Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures as at date of the financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates under different assumptions and conditions.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

### Critical Judgements

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognized in the financial statements:

Discount rate used to determine the carrying amount of the Company's defined benefit obligation

In determining the appropriate discount rate for plans assets, the management considers the interest rates of government bonds as provided by LIC, in currencies consistent with the currencies of the post-employment benefit obligation.

### Contingencies and commitments

In the normal course of business, contingent liabilities may arise from litigations and other claims against the Company.

Where the potential liabilities have a low probability of crystallizing or are very difficult to quantify reliably, we treat them as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings, we do not expect them to have a materially adverse impact on our financial position or profitability.

### Key sources of estimation uncertainty

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

Useful lives of property, plant and equipment

As described above, the Company reviews the estimated useful lives and residual values of property, plant and equipment at the end of each reporting period. During the current financial year, the management determined that there were no changes to the useful lives and residual values of the property, plant and equipment.

#### Allowances for doubtful debts

The Company makes allowances for doubtful debts based on an assessment of the recoverability of trade and other receivables. The identification of doubtful debts requires use of judgement and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.

#### Allowances for inventories

Management reviews the inventory age listing on a periodic basis. This review involves comparison of the carrying value of the aged inventory items with the respective net realizable value. The purpose is to ascertain whether an allowance is required to be made in the financial statements for any obsolete and slow-moving items. Management is satisfied that adequate allowance for obsolete and slow-moving inventories has been made in the financial statements.

#### Liability for sales return

In making judgment for liability for sales return, the management considered the detailed criteria for the recognition of revenue from the sale of goods set out in Ind AS 115 and in particular, whether the Company had transferred to the buyer the significant risk and rewards of ownership of the goods. Following the detailed quantification of the Company's liability towards sales return, the management is satisfied that significant risk and rewards have been transferred and that recognition of the revenue in the current year is appropriate, in conjunction with the recognition of an appropriate liability for sales return.

Accruals for estimated product returns, which are based on historical experience of actual sales returns and adjustment of account of current market scenario is considered by Company to be reliable estimate of future sales returns.

Notes to the financial statements for the year ended 31 March, 2024

### 1. Corporate Information

Valiant Infrastructure Limited (the "Company") is a public limited company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. It has been engaged primarily in trading and the servicing of communication equipment and networking. The Company's registered office is at 71/1, Shivaji Marg, New Delhi 110 015. The Corporate Identification Number (CIN) is U74899DL1995PLC066264.

Valiant Communication Limited owns 88.94% of the Company's equity shares.

The financial statements for the year ended 31 March 2024 were approved by the Board of Directors and authorised for issue on 29 May 2024.

### 2. Recent Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

## 3. Material accounting policies

#### 3.1 Basis of preparation

The financial statements are prepared in accordance with and in compliance, in all material aspects with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 ("the Act") read along with Companies (Indian Accounting Standards) Rules, as amended and other relevant provisions of the Act. The presentation of the Financial Statements is based on Ind AS Schedule III of the Companies Act, 2013.

### 3.2 Basis of measurement

The financial statements have been prepared on an accrual basis and in accordance with the historical cost convention except for certain financial instruments which are measured at fair values at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

All assets and liabilities are classified into current and non-current generally based on the nature of product/activities of the Company and the normal time between acquisition of assets/liabilities and their realisation/settlement in cash or cash equivalent.

The Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

· Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

· Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value

measurement is directly or indirectly observable

· Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value

measurement is unobservable

3.3 Foreign currency translation

The functional currency of the Company is Indian rupee (Rs).

On initial recognition, all foreign currency transactions are translated into the functional currency using the exchange rates prevailing on the date of the transaction. As at the reporting date, foreign currency monetary assets and liabilities are translated at the exchange rate prevailing on the Balance Sheet date and the exchange gains or losses are recognised in the Statement of Profit and Loss.

Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

3.4 Property plant and equipment (PPE)

PPE are initially recognised at cost. The initial cost of PPE comprises its purchase price, including non-refundable duties and taxes net of any trade discounts and rebates. The cost of PPE includes interest on borrowings (borrowing cost), if any, directly attributable to acquisition, construction or production of qualifying assets subsequent to initial recognition, PPE are stated at cost less accumulated depreciation (other than freehold land, which are stated at cost) and impairment losses, if any.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and capital work in progress, if any) less their residual values over the useful lives, using the straight-line method ("SLM") at the rates prescribed in Schedule II of the Companies Act, 2013.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable. The residual values, useful life and depreciation method are reviewed at each financial year-end to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of property, plant and equipment.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between sales proceeds and the carrying amount of the asset and is recognised in profit or loss. Fully depreciated assets still in use are retained in financial statements.

3.5 Intangible assets

Intangible assets are measured on initial recognition at cost and subsequently are carried at cost less accumulated amortisation and accumulated impairment losses, if any.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal.

Gains or losses on derecognition are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

The Company amortises intangible assets with a finite useful life using the straight-line method over the following range of useful lives:

Asset

Useful life

Technical know-how

4 years

Computer software

6 years

The estimated useful life is reviewed annually by the management.

3.6 Capital work-in-progress and intangible assets under development

Capital work-in-progress/intangible assets under development are carried at cost, comprising direct cost, related incidental expenses and attributable borrowing cost.

3.7 Non-derivative financial instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

Trade Receivables

A trade receivable without a significant financing component is initially measured at the transaction price (net of variable consideration) as the same are recorded after decreasing rebates as per para 51 of Ind AS 115.

Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets.

The Company has made an irrevocable election to present subsequent changes in the fair value of equity investments not held for trading in Other Comprehensive Income.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

Financial liabilities

Financial liabilities are measured at amortised cost using the effective interest method.

Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments recognised by the Company are measured at the proceeds received net off direct issue cost.

Offsetting of financial instruments

Financial assets and financial liabilities are off set and the net amount is reported in financial statements if enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise

f here is a climently to realise the ethi

assets and settle the liabilities simultaneously.

#### 3.8 Investments in subsidiaries

A subsidiary is an entity that is controlled by the Company.

The Company accounts for each category of investments in subsidiaries at cost in accordance with Ind AS 27- Separate Financial Statements.

#### 3.9 Impairment

Financial assets (other than at fair value)

The Company assesses on a forward-looking basis the expected credit losses associated with its assets carried at amortised cost and FVTOCI debt instruments, if any. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

## PPE and intangibles assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e., higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the Statement of Profit and Loss.

#### 3.10 Inventories

Inventories are valued at lower of cost (on weighted average basis) and net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to their present location and condition including all applicable duties, taxes and other levies. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, indirect taxes. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

## 3.11 Revenue Recognition

Revenue is recognised upon transfer of control of promised goods or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those goods

Revenue from sale of goods and services

Revenue from the sale of goods is recognised at the point in time when control is transferred to the customer which is usually on dispatch / delivery. Revenue from services is recognised as and when the services are performed in accordance with IND AS 115. Revenue is measured based on the transaction price, net of variable consideration on account of volume discounts, rebates, scheme allowances, price concessions, incentives and returns offered by the Company as part of the contracts with the customers. Revenue excludes taxes collected from customers on behalf of the government. Accruals for discounts/incentives and returns are estimated (using the most likely method) based on accumulated experience and underlying schemes and agreements with customers. Due to the short nature of credit period given to customers, there is no financing component in the contract.

## Interest Income

Interest income from financial assets is recognized when it is probable that economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial assets to that asset's net carrying amount on initial recognition.

## Dividend

Dividend income from investments is recognised when the shareholder's right to receive payment has been established 71 (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measureliably).

#### Insurance claims

Insurance claims are accounted for on the basis of claims admitted / expected to be admitted and to the extent that there is no uncertainty in receiving the claims.

## 3.12 Research and development expenses

Research expenditure and development costs of products are capitalised on product's technical feasibility is established.

#### 3.13 Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgment in assessing the lease term (including anticipated renewals) and the applicable discount rate.

There is no lease arrangement during the year under reporting, which falls under the category of Lease as required in compliance with the Ind AS 116.

### 3.14 Non-current assets held for sale

Non-current assets and disposal groups are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary for sales of such asset (or disposal group) and its sale is highly probable. Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

When the Company is committed to a sale plan involving disposal of an investment, the investment that will be disposed off is classified as held for sale when the criteria described above are met.

Non-current assets (and disposal groups) classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell.

#### 3.15Employees benefits

Employee benefits includes contribution to provident fund, gratuity fund, compensated absences and supplemental pay.

The Company has provided for liability on account of all following employees benefits available to the employees in accordance with the applicable rules, regulations, laws and employees benefits policy of the Company.

- i) Provident fund is a defined contribution scheme and the contributions are charged to the profit & loss account of the year when the contributions to the government funds are due.
- ii) Gratuity liability is a defined benefit obligation and provided for on the basis of an actuarial valuation as per projected unit credit method, made at the end of each financial year. The Company has taken a policy with the Life Insurance Corporation of India (LIC) to cover the gratuity liability of the employees and premium paid to the LIC is charged to Profit and Loss Account. The difference between the actuarial valuation of the gratuity liability of the employees at the year end and the balance of funds with LIC is provided for as liability in the books.
- iii) Employees are entitled to short-term compensated absences, which are provided for based on estimates.
- iv) Actuarial gains/losses are recognized in Other Comprehensive Income (OCI).

## 3.16 Segment reporting

As per Ind AS 108, Operating segments are defined as components of an enterprise for which discrete financial information is available that is evaluated regularly by the chief operating decision maker, in deciding how to allocate resources and assessing performance. The Company's chief operating decision maker is the Managing Director & CEO.

The Company's operating geographical business segment is based on the locations of customers. Allocable costs are allocated to each segment in proportion to the relative sales of each segment. All the common income, expenses, assets and liabilities, which are not possible to be allocated to different segments, are treated as un-allocable items.

### 3.17Income tax

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year.

Current and deferred taxes are recognised in Statement of Profit and Loss, except when they relate to items that area Delhi

Shivaji Marg

India

recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

#### Current tax

Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Current tax assets and current tax liabilities are off set when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

#### Deferred tax

Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of a deferred tax asset shall be reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax assets and liabilities are off set when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, to the extent it would be available for set off against future current income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably, and it is probable that the future economic benefit associated with the asset will be realised.

3.18Accounting of provisions, contingent liabilities and contingent assets

Provisions are recognized, when there is a present legal or constructive obligation as a result of past events, where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows. Where the effect is material, the provision is discounted to net present value using an appropriate current market-based pre-tax discount rate and the unwinding of the discount is included in finance costs.

Contingent liabilities are recognised only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

### 3.19 Dividend to equity shareholders

Dividend to equity shareholders is recognised as a liability and deducted from shareholders' equity, in the period in which the dividends are approved by the equity shareholders in the general meeting.

3.20 Earnings per share (EPS)

Basic EPS is computed by dividing the profit or loss attributable to the equity shareholders of the Company by the weighted average number of Ordinary shares outstanding during the year. Diluted EPS is computed by adjusting the profit of ordinary equity shareholders and the weighted average number of ordinary equity shares, for the effects of all dilutive potential Ordinary shares.

110 015

#### 3.21 Critical accounting judgements and key sources of estimation uncertainty

The preparation of the financial statements in conformity with the Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures as at date of the financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates under different assumptions and conditions.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

# Critical Judgements

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognized in the financial statements:

Discount rate used to determine the carrying amount of the Company's defined benefit obligation

In determining the appropriate discount rate for plans assets, the management considers the interest rates of government bonds as provided by LIC, in currencies consistent with the currencies of the post-employment benefit obligation.

#### Contingencies and commitments

In the normal course of business, contingent liabilities may arise from litigations and other claims against the Company.

Where the potential liabilities have a low probability of crystallizing or are very difficult to quantify reliably, we treat them as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings, we do not expect them to have a materially adverse impact on our financial position or profitability.

### Key sources of estimation uncertainty

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

Useful lives of property, plant and equipment

As described above, the Company reviews the estimated useful lives and residual values of property, plant and equipment at the end of each reporting period. During the current financial year, the management determined that there were no changes to the useful lives and residual values of the property, plant and equipment.

## Allowances for doubtful debts

The Company makes allowances for doubtful debts based on an assessment of the recoverability of trade and other receivables. The identification of doubtful debts requires use of judgement and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.

## Allowances for inventories

Management reviews the inventory age listing on a periodic basis. This review involves comparison of the carrying value of the aged inventory items with the respective net realizable value. The purpose is to ascertain whether an allowance is required to be made in the financial statements for any obsolete and slow-moving items. Management is satisfied that adequate allowance for obsolete and slow-moving inventories has been made in the financial statements.

## Liability for sales return

In making judgment for liability for sales return, the management considered the detailed criteria for the recognition of revenue from the sale of goods set out in Ind AS 115 and in particular, whether the Company had transferred to the buyer the significant risk and rewards of ownership of the goods. Following the detailed quantification of the Company's liability towards sales return, the management is satisfied that significant risk and rewards have been transferred and that recognition of the revenue in the current year is appropriate, in conjunction with the recognition of an appropriate liability for sales return.

Accruals for estimated product returns, which are based on historical experience of actual sales returns and adjustment of account of current market scenario is considered by Company to be reliable estimate of future sales returns.

| b) Other financial assets at amortised cost | 479        | 471        |

Financial liabilities

Measured at amortised cost

| a) Trade payables                                | ~  | 246          |
|--|----|--------------|
| b) Other financial liabilities at amortised cost | 11 | 49           |
| c) Borrowings                                    |    | and a second |

Fair value hierarchy

There are no reported financial assets that are measured at fair value or where fair value disclosure is required as at

31-03-2024 and 31-03-2023.

Further, there are no reported financial liabilities that are measured at fair value or where fair value disclosure is required as at

31-03-2024 and 31-03-2023.

19 Financial risk management

Risk is inherent in the Company's activities but it is managedthrough a process of ongoing identification, measurement and

monitoring, subject to risk limits and other controls.

The financial liabilities of the Company comprise trade and other payables to finance the operations of the Company. The financial assets of the Company include loans, trade and other receivables, cash and cash equivalents that directly derivefrom the operations. The Company has not entered into any derivative transactions.

The Company's Board of Directors is ultimately responsible for the overall risk management approach and for providing the risk strategies and principles.

The Company is exposed to market risk, credit risk and liquidity risk.

Market risk

The Company's activities are not exposed to any financial risk presently.

The Company has not entered in any forward foreign exchange contract during the reporting period.

Foreign currency risk management

There were no foreign exchange transactions of any kind recorded during the year under reporting.

There is no reportable carrying amounts of the Company's foreign currency denominated unhedged monetary assets and monetary liabilities as at 31-03-2024 and 31-03-2023.

Foreign currency sensitivity analysis

Not applicable

Impact on profit or loss and total equity

None

Equity risk

There is no material equity risk relating to the Company's equity investments .

Interest risk

There is no material interest risk relating to the Company's financial liabilities.

Credit risk management

Credit risk refers to the risk that a counter party will default on its contractual obligation resulting in financial loss to the Company.

The Company uses its own trading records to evaluate the credit worthiness of its customers. The Company's exposure are

continuously monitored and the aggregate value of transactions concluded, are spread amongst approved counter parties.

Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the Board of Directors, which has established an appropriate

liquidity risk management framework for the management of the Company's short-term, medium-term and long-term funding

and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves by continuously

monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities

All current financial liablities are repayable within one year.

# Liquidity risk table

The following table detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial laibilities based on the

earliest date on which the Company can be required to pay.

#### Disclosure of revenue [Text Block]

### 3.11 Revenue Recognition

Disclosure of revenue [TextBlock]

Revenue is recognised upon transfer of control of promised goods or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those goods

Revenue from sale of goods and services

Revenue from the sale of goods is recognised at the point in time when control is transferred to the customer which is usually on dispatch / delivery. Revenue from services is recognised as and when the services are performed in accordance with IND AS 115. Revenue is measured based on the transaction price, net of variable consideration on account of volume discounts, rebates, scheme allowances, price concessions, incentives and returns offered by the Company as part of the contracts with the customers. Revenue excludes taxes collected from customers on behalf of the government. Accruals for discounts/incentives and returns are estimated (using the most likely method) based on accumulated experience and underlying schemes and agreements with customers. Due to the short nature of credit period given to customers, there is no financing component in the contract.

### Disclosure of employee benefits [Text Block]

#### 3.15Employees benefits

Employee benefits includes contribution to provident fund, gratuity fund, compensated absences and supplemental pay.

The Company has provided for liability on account of all following employees benefits available to the employees in accordance with the applicable rules, regulations, laws and employees benefits policy of the Company.

- i) Provident fund is a defined contribution scheme and the contributions are charged to the profit & loss account of the year when the contributions to the government funds are due.
- ii) Gratuity liability is a defined benefit obligation and provided for on the basis of an actuarial valuation as per projected unit credit method, made at the end of each financial year. The Company has taken a policy with the Life Insurance Corporation of India (LIC) to cover the gratuity liability of the employees and premium paid to the LIC is charged to Profit and Loss Account. The difference between the actuarial valuation of the gratuity liability of the employees at the year end and the balance of funds with LIC is provided for as liability in the books.
- iii) Employees are entitled to short-term compensated absences, which are provided for based on estimates.
- iv) Actuarial gains/losses are recognized in Other Comprehensive Income (OCI).

#### INDEPENDENT AUDITORS' REPORT

To the Member of Valiant Communications (UK) Limited

#### Opinion

We have audited the financial statements of Valiant Communications (UK) Limited, ("the Company"), the Statement of Financial Position (also known as the Balance Sheet) as of March 31, 2024, the Income Statement (also known as the Statement of Profit and Loss) along with notes to the financial statements and other explanatory information for the year then ended.

In our opinion, the accompanying financial statements of the Company are prepared, in all material respects, in accordance with the English Companies Act 2006 ("the Act") and give a true and fair view of the financial position of the entity as at March 31, 2024 and the Income Statement (also known as the Statement of Profit and Loss) for the year then ended.

#### Basis for Opinion

We conducted our audit in accordance with Standards on Auditing (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Management's Responsibility for the Financial Statements

FRN: 0089530

The Company's Board of Directors is responsible for the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance of the Company in accordance with the provisions of the Act read with the relevant provisions applicable to the small companies' regime and in accordance with Section 1A of FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland.

For the year ending March 31, 2024, the Company was entitled to exemption from audit under section 477 of the Act relating to small companies. However, the audit is carried out by us as the Stautory Group Auditors in accordance with the statutory compliance applicable in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error copy NAK BAN

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial control system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Notes to the Financial Statements

### Year ended 31 March 2024

#### 1. General information

The company is a private company limited by shares, registered in England and Wales. The address of the registered office is Central House Rear Office, 124 High Street, Hampton Hill, TW12 1NS, United Kingdom.

#### 2. Statement of compliance

These financial statements have been prepared in compliance with Section 1A of FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

#### 3. Accounting policies

#### Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss.

The financial statements are prepared in sterling, which is the functional currency of the entity.

#### Revenue recognition

Turnover is measured at the fair value of the consideration received or receivable for goods supplied and services rendered, net of discounts and Value Added Tax.

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership have transferred to the buyer (usually on despatch of the goods); the amount of revenue can be measured reliably; it is probable that the associated economic benefits will flow to the entity; and the costs incurred or to be incurred in respect of the transactions can be measured reliably.

#### Foreign currencies

Foreign currency transactions are initially recorded in the functional currency, by applying the spot exchange rate as at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the exchange rate ruling at the reporting date, with any gains or losses being taken to the profit and loss account.

#### Investments

Fixed asset investments are initially recorded at cost, and subsequently stated at cost less any accumulated impairment losses.

Listed investments are measured at fair value with changes in fair value being recognised in profit or loss.

#### Financial instruments

FRN: 0089530

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the transaction price, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.
